Dear Sir / Madam:

Good day!

The Operating Room Nurses Association of the Philippines will hold its **44th Annual Convention and Scientific Meeting** on June 30 - July 1, 2018 at Fiesta Pavillon, Manila Hotel with the theme **“Embracing Diversity: Breaking Barrier through Holistic Perioperative Nursing Care”**.

We have lined up strong and interesting topics for the convention, with the aim of bringing together perioperative practitioner delegates from different cities and provinces. Moreover, it will be a venue for sharing of ideas, best practices and evidenced based practice.

With these, we invited several renowned speakers to share their expertise on the current and future trends in the advancement of perioperative nursing practice, ethico-legal issues, surgery, anesthesia, leadership & management, as well as relevant issues vital in nursing practice.

As such, we would like to invite you and your staff to attend in this prestigious and educational gathering.
