June 30 & July 1, 2018

Manila Hotel

## EMBRACING DIVERSITY: Breaking Barriers through Holistic Perioperative Nursing Care

### Objectives:

1. Appreciating diversities in an optimistic outlook in the perioperative practice towards quality nursing care.
2. Integrating an evidence-based scheme in a rational and efficient manner that promotes holistic perioperative care.
3. Coordinating and Judging the diverse processes and practices in the perioperative milieu.
